KidCare International
is a non-profit 501 (c)(3)
humanitarian aid
organization.

The Mission of KidCare International, a relationship-based, humanitarian-aid organization, is to equip and empower desperately disadvantaged children to lead lives of purpose, service, and leadership through sustainable programs and strategic partnerships. Established in 1991, KidCare International continues to support its ongoing humanitarian projects in the Inland Empire, Tanzania, and South Africa through championing volunteerism and cultivating both public and private partnerships and fundraising campaigns.
